Renal replacement

Break

10:15

11:45

Non coronary
emergencies in acute
cardiovascular care

Friend or foe:
troponin elevation

Emergency medicine
pre vs in-hospital

ACCA SCHOOL
Invasive ventilation

Lunchtime Satellite Symposia

13:30

15:00

Unmet needs in
medical therapies for
atrial fibrillation

Cardiac arrest in the
modern era

ACCA Research Prize

Update in ST-elevation
myocardial infarction

E.T.

Break - MP1

16:00

17:30

Acute coronary
syndromes in special
populations

Non invasive point of
care imaging in acute
cardiovascular care

Rapid Fire
Abstract Session

Update in NSTEMI-ACS

E.T.

17:40

18:30

Inaugural Session

From 18:30 Networking Reception in the Exhibition

 Joint sessions

SP&P

Sunday 18 October 2015

	Zeremoniensaal	Prinz Eugen Saal	Rittersaal	Gartensaal
08:30 10:00	Optimal choice and timing of antithrombotic therapy in ACS	Diagnostic tools in the management of acute heart failure	Is there a role for platelet reactivity testing in patients with CAD treated with P2Y12 inhibitors?	Update in cardiac shock 
Break				
10:30 12:00	Developments in non STEMI	Organ dysfunction in acute heart failure 	Management of venous thromboembolism	Update in cardiac arrest 
Lunchtime Satellite Symposia				
13:45 15:15	Pre-hospital management of ACS	Acute heart failure in special situations	Arrhythmias in acute cardiovascular care 	Management of arrhythmias  
Break - MP2				
16:15 17:45	Risk and management of bleeding in ACS 	Controversies in the management of cardiogenic shock	Inflammation and atherothrombosis in ACS 	Young Investigator Award

'IMPROVING THE QUALITY OF CARE AND OUTCOMES OF PATIENTS WITH ACUTE CARDIOVASCULAR DISEASES'

- **Interact** with leaders in the profession
- **Learn** from experts in dedicated sessions
- **Discuss** the latest achievements and developments in the field
- **Exchange** with your professional community
- Discover **top research** in the abstract and poster sessions
- Exchange with industry partners in the **Exhibition**
- **Spotlight sessions** on 'Innovating to improve Acute Cardiovascular Care'

Monday 19 October 2015

	Zeremoniensaal	Prinz Eugen Saal	Rittersaal	Gartensaal
09:00 10:30	Challenges in coronary reperfusion in STEMI 	Innovations in acute heart failure	Gender-specific issues in acute cardiovascular care	Preparatory session for the ACCA certification exam
10:30 - 11:30	Break - MP3			ACCA General Assembly
11:30 13:00	Recent developments in acute aortic syndromes	Acute management of atrial fibrillation: how, when, why	Pregnancy and acute cardiovascular care	Hot topics in acute cardiovascular care. Learning from images and cases 
13:00 14:00	Highlight Session Closing Ceremony			

EDUCATION AT THE CONGRESS

→ ACCA SCHOOL : HANDS ON SESSIONS

Experts will take you through **live demonstrations** and hands-on **training** to learn and apply the latest methods and practice.

→ EDUCATIONAL TRACK

Enhance your knowledge with experts who will take you from the **fundamentals** to the **latest updates** in acute cardiovascular care. This track is an opportunity for practicing cardiologists wanting to refresh their skills.

→ ACCA CERTIFICATION EXAM

The **certification process** for Acute Cardiac Care is meant for professionals in the field to attest of high skills in delivering state of the art treatment for patients with severe cardiac illness.

Register online to take the exam at Acute Cardiovascular Care 2015.
